Entry requirements

Learners should be at least 16 years old.

An initial assessment of Maths and English will be carried out prior to Enrolment.

Maths and English will be studied as part of the qualification if the apprentice does not already have grade C/4 in both.

How long will it last?

Typical duration: 12 months

How will it be delivered?

You will attend monthly taught sessions which will support the knowledge elements. The competency requirements will largely be delivered within the workplace environment, via regular assessor visits and one to one tutorials.

How will it be assessed?

A college workplace assessor will visit you within your workplace to carry out observations on your skills and check that learning is being implemented.

The Standard will be assessed through End Point Assessment once the apprentice, employer and assessor have agreed that the apprentice is EPA Gateway ready.
