

Apprenticeship LEAD ADULT CARE WORKER Level 3

Why study this course?

Do you want to work as a Lead Adult Care Worker or already work in this role?

Is there a requirement for you to have a qualification in your organisation?

Do you currently have a role that would allow you to develop the skills and knowledge within this qualification?

Who is the course aimed at?

The course is aimed at care support workers in the following sectors:

- ▶ Domiciliary care
- ▶ Residential care
- ▶ Day care provision
- ▶ GP Practices
- ▶ Supported Living
- ▶ Day Care Provision

What will you study

An example of the mandatory units covered include:

- ▶ Promote communication in care settings
- ▶ Promote effective handling of information in care settings
- ▶ Duty of care in care settings
- ▶ Safeguarding and Protection

Students will also cover optional units in a variety of specialist areas to tailor to the qualification.

Qualification gained

- ▶ Cache Level 3 Lead Adult Care Worker
- ▶ Level 2 Functional Skills in Maths and English (if required)

Knowledge and skills you will develop

Through completing this apprenticeship you will be able to:

- ▶ Provide high quality, compassionate healthcare
- ▶ Develop and implement risk assessment plans and carry out a range of healthcare or therapeutic tasks
- ▶ Demonstrate best practice and act as a role model and be able to guide and supervise less experienced staff on the team
- ▶ Follow the principles for equality and diversity and inclusion
- ▶ Safeguard and protect adults.
- ▶ Work as part of a team and learn the behaviours expected from a role model; the principles of training and mentoring
- ▶ Understand the meaning of risk assessment and how to recognise hazards
- ▶ Ensure that resources are used efficiently by ensuring correct use

Behaviours you will develop

- ▶ Collaboration
- ▶ Considerate of user needs
- ▶ Customer focused
- ▶ Duty of care
- ▶ Effective communication
- ▶ Flexible
- ▶ Methodical
- ▶ Self development

Progression to further study

Completing this apprenticeship programme will enable progression into a wide range of roles within the healthcare sector, to higher apprenticeships or higher education.

Entry requirements

Learners should be at least 16 years old.

An initial assessment of Maths and English will be carried out prior to enrolment, a minimum level 1 functional skills qualification is required and Maths and English will be studied as part of the qualification if the apprentice does not already have grade C/4 in both.

How long will it last?

Typical duration: 18 - 24 months

How will it be delivered?

You will attend college taught sessions one day a week.

The competency requirements will largely be delivered within the workplace environment, via regular assessor visits and one to one tutorials.

How will it be assessed?

A college workplace assessor will visit you within your workplace to carry out observations on your skills and check that learning is being implemented.

The Standard will be assessed through End Point Assessment once the apprentice, employer and assessor have agreed that the apprentice is EPA Gateway ready.
