Courses
for adults
2021-2022

Welcome to Southport College and our exciting new programme of courses for Adults 2021-22

Whether you are looking to retrain, upskill or just learn something new for fun, we have the perfect course for you.

We have a Covid safe learning environment and the most friendly and supportive tutors around, plus many of our courses are FREE of charge and others just £10.

If the course you are interested in does have a cost attached you may well find you are entitled to fee remission (see page 16) or can apply for an advanced learner loan, so do go online or ask us for more information. You are very welcome here and we want to ensure that Southport College courses are accessible to everyone.

Our most popular courses do fill up fast, so to avoid disappointment go online to book your place today.

If you need help with choosing a course, advice on applying for finance or have any questions at all, our friendly guidance team are here to help.

Just call them on 01704 392704 or email guidance@southport.ac.uk

Why not try something new this September?

New Skills... New Career

Whether you are thinking about training for a whole new career or looking to progress in your current role, we have a wealth of skills boosting courses.

There's our widest choice of **Accounting** courses ranging from Level 1-4.

So whether you want to just understand basic bookkeeping or end up with a full **Diploma in Accountancy** we've got a course for you.

Our ever popular **Counselling** courses are back, with both day or evening classes at all levels, but do hurry to book your place as these courses fill up fast!

We've also got lots more Professional Trades Courses to choose from this year, all taking place in our fantastic newly refurbished workshops. Plus we have a range of **18th Edition Electrical Courses** including an option for a fast track taking just 3 days.

Most employers now ask for **maths & English**, so if it's a lack of these qualifications that are holding you back, why not join one of our adult GCSE or functional skills classes. The courses are free and our friendly, experienced tutors will support you every step of the way. Call 01704 392704 to book your place or apply online today.

Finally, if you're interested in a new career but aren't quite sure, why not try one of our introductory courses to get a real flavour for the subject? There's lots to choose from, including Medical Secretary, Health and Social Care, and Working in Education to name but a few and they are just £10.

See pages 6-9 for full details of what's on when and apply online.

If you have any queries, our friendly guidance are here to help.

Call 01704 392704 or email guidance@southport.ac.uk

Learn for Pleasure

After the past 18 months, we all deserve a little relaxation and fun. So why not learn something new for pleasure?

We've added a whole range of exciting subjects this term, including Italian, Cake Baking, Crochet, Floristry and Sewing Skills. Plus there's all the favourites to choose from too, including Nail Techniques, Creative Writing, Photography and Wallpapering.

Many courses are just £10 and are 1 evening a week for 6 weeks. They are all taught on site in a Covid Safe environment, so not only are they a great way to learn new skills, but they are a great way to meet new people too and let's face it, social interaction is something we've all missed!

See pages 6-9 for what's on when and then just apply online.

ESOL

(English for Speakers of Other Languages)
ESOL courses enhance your English speaking, listening, reading and writing skills.

After completing them, many students progress onto a different course in the college, allowing you to upskill, or even re-train for a completely new career.

During the course we provide you with the essential skills to use in everyday situations, such as at the bank, the Job Centre or the Post Office and we also use interactive technology to help increase your vocabulary and improve your grammar.

If you're not sure which ESOL course is best for you, why not try a six-week short taster course available for just £10.

We offer ESOL classes from Entry Levels 1-3 and the full courses are currently, buy one, get one free.

Courses start in both September and January. See page 8 for what's on when.

Free Online Courses

This year we have even more of our exciting online courses to choose from, completed from home in your own time and completely free of charge!

Gain nationally recognised qualifications, help to improve your career prospects and employability or just expand your knowledge in a subject that really interests you.

There are a really wide range of courses to choose from so if you have already completed one, why not now either progress to the next level or try something new!

The courses are open to everyone and just require an internet connection, although we do recommend that you have access to a computer or laptop to complete the assessments.

It's up to you how much time you spend as you'll be working at your own pace, but we suggest you look at committing around a few hours a week for levels 1 and 2 and a little more for the level 3 courses.

They are all free of charge, but there are some terms and conditions, so for full details and how to apply, visit www.southport.ac.uk/adultlearners/free-online-courses

Lydia Haram Awareness of Mental Health Problems

Studying this course really opened my eyes to some key issues surrounding mental health. Becoming aware of causes has allowed me to better understand and empathise with the young people that I work with on a daily basis. It has helped me to become even better at my job, enriched my work experience and helped me to support young people during difficult times.

Gary Dicker, Team Leadership

Having been in my job for several years, I'd gained lots of experience, but wanted to improve my prospects of climbing the career ladder. The natural progression would be into managerial roles and this course is brilliant for teaching you some very important principles and things to consider. The course fitted in easily around my job, taking only a few hours a week as and when I chose.

If you are keen to study for a HND or Degree, but need more qualifications first, starting an Access to Higher Education course with us this September is the perfect solution.

There are 7 different Access Courses to choose from depending on the Degree subject you are looking to progress on to, including our brand new Access to Policing Course and each one combines subject specific knowledge with preparation for undergraduate study.

Study with us and you'll earn a full Level 3 qualification equivalent to 3 A Levels in just 10 months and benefit from small class sizes, highly experienced tutors and lots of friendly academic and pastoral support.

You can apply for an advanced learner loan to cover the cost of the course (which is then wiped once you graduate from university).

There are free travel passes and up to 2 days a week free child care available for students too. (NB these are means tested).

Our Access students progress on to numerous highly competitive degree programmes and we'd be delighted to help you too!

There are still a few places left for this September, so visit www.southport.ac.uk/adultlearners/subjects-and-courses/access-to-he or for more information, call our friendly guidance team on 01704 392704.
