1. Policy Statement

The College is committed to distributing the Discretionary Learner Support Fund in a fair and consistent way. Funding is to be provided to increase access, retention and achievement. It can be

used to help students overcome financial barriers to learning and promote wider access to ensure that people from all backgrounds can take part in learning. This Policy is inclusive of, including those from underrepresented or marginalised groups. The College is committed to ensuring that no student is disadvantaged in accessing travel support due to their gender identity, disability, ethnicity, religion, or any other protected characteristic.

2. Advanced Learner Loans Bursary Fund (ALL Bursary)

The ALL Bursary is to support those students who are on a Department for Education (DfE) approved course at level 3 or 4, who are in receipt of a loan and who are aged 19 and over when their course starts.

The fund covers two areas:

- Financial hardship, including childcare
- Course related costs including trips, books and equipment, transport costs for getting to and from college, professional membership fees and any fees or charges due to external bodies.
- In exceptional support with domestic emergencies and emergency accommodation provided by others, or by providing items, services or cash direct to the learner. This can be in the form of a grant or repayable loan provided by you for course related costs.
- Learning support for students with learning Difficulties / disabilities

3. Application Process and Documentary Evidence

The application process for funds will commence in early July 2026. Applications will be accepted until such time as funding is fully utilised and will be assessed in line with available resources.

3.1 ALL Bursary

For 19+ funding, including applications for travel passes, students must complete an application using the online student support bursary service:

Pay My Student

In accordance with the Department for Education guidelines, documentary-evidence is required to assess income and / or identification of being in a priority group. Supporting evidence may include, but is not exhaustive:

- Pay slips
- P60
- Proof of earning for self-employment (SA302)

The 'application date' will be the date the completed form is received together with all relevant documentation.

Course Leaders and Students will need to provide evidence of items needed where possible to support their request e.g. College order forms for kit and uniforms, signed book list from tutors, trips, receipts for individual items etc. If students are in digital poverty they can speak with their Progress Tutor/Course Leader or Safeguarding and Welfare Team, the College has a bank of loanable laptops which can be used for the duration of the course.

Students can apply for support with course related costs including:

- essential course trips within England
- books
- equipment
- Support with domestic emergencies and emergency accommodation provided by others or by providing items or services or cash direct to the learner (this may need to be repaid this will be discussed with the Welfare Officer).
- Transport costs
- Examination fees
- Accreditation fees, professional membership fees and fees or charges due to the external bodies e.g. insurance for Diploma in Counselling students
- In exceptional circumstances, you can apply for funds to assist with course fees, please see the Welfare Officer for further information.

3.2 Childcare Funds 20+

Students can register their interest in applying for funding once they have made an application to study at the College. Funds are allocated on a strict first come first served basis. Students are asked to provide the same financial information as for dLSF 19+ but must also provide evidence of the provider being Ofsted-registered (Early Years Register for children aged 0-5, Compulsory Childcare Register for 5-8 and Voluntary Childcare Register for over 8's).

Support and applications can be sought via the Student Advisor on 01704 392704 or by emailing guidance@southport.ac.uk

3.3 Travel

Full time students who are aged 19+ and live more than 1 mile away from College can apply for a travel pass. For more information, please see Travel Passes and Funds Policy and Procedures.

Students who do not wish to apply for a travel pass can apply for help towards travel costs e.g. fuel 25p per mile per timetabled day. This cost will be capped at the cost of the cheapest ticket / pass available on public transport. Applications follow the normal ALL Bursary Fund process. Car park charges / fees are not supported by the bursary.

Support for travel costs are assessed by attendance and will be assessed based on L6W (last 6 weeks) prior to the payment week, attendance is not calculated using year to date.

4. Eligibility – ALL Fund and Childcare 20+

4.1 Eligibility Criteria

The ALL Fund aims to help eligible students who need additional financial support throughout their time at College in order to complete their course. The fund can help with travel, course related costs and childcare costs.

Eligibility is assessed in a few possible ways; if a student is in receipt of a means tested benefit, then proof of this benefit is sufficient evidence for eligibility, or if they have a household income of less than £38,500 per annum net, again this would be sufficient.

Students make applications via the PayMyStudent system, they will need to provide their most recent payslips, P60, most recent Universal Credit Notice.

Evidence of household income / means tested benefits / award letters for a minimum of a three-month period will be required. All supporting documentation must be clear and visible. It should include name, address and all sections and/or pages.

4.2 Exemptions

Students in the following categories are not eligible for ALL Bursary:

- Learners whose loan has not yet been approved and they have not passed the liability point
- Learner support for learners in custody or released on temporary licence

4.3 Residency Eligibility Criteria

The residency eligibility criteria for ALL Fund are aligned to the residency criteria from the Department for Education which can be found on their web page.

4.4 Refugees

Refugees are not required to meet the three-year residency rule if their refugee status was confirmed in the three years prior to starting the course.

5. Allocation of ALL Fund Payments

All full and part time ALL students aged 19+ can apply for a maximum of £1000 per person per year. Need is assessed by the Student Finance Co-ordinator. Evidence could be College order forms for kits, signed book lists from course tutors, information provided from Student Records re exam and registration fees (this list is not exhaustive). Students must supply receipts for anything purchased.

Students cannot apply for funding towards the following:

- Leisure classes
- Full or part time tuition fees where a learner does not fit into the fee remission category
- Students cannot double claim funding

In the first instances funds for kits, uniforms and trips will be transferred directly to the relevant department. Other allocations will be made via Bank Automated Credit System (BACS), and in exceptional circumstances a cash payment maybe made.

Where an attendance issue arises for a student (e.g. attendance falls below 90%) the Positive Behaviour Policy may be invoked. This will happen only if the issues of attendance have not managed to be addressed informally with the Progress Tutor/Course Tutor and student. If this fails significantly for either a full or part time student, then funding may be withdrawn.

When funds are used to buy equipment for individuals, the equipment will remain the property of the College, this should be returned to the College when practical, taking into consideration such factors as hygiene, health and safety, and wear and tear.

6. Allocation of Childcare 20+

Applicants should note there is government funded support in place, but where learners need to continue with employment alongside their College course, students should ensure they are accessing the full government support on offer * and where needed, the Childcare Funding can top

up the extra costs where a learner is working in addition to their course, proof of working hours may be required to support any top up fees. Funding for childcare is allocated based on the maximum number of days a student is timetabled to attend the College site (September-June, inclusive of College holidays and bank holidays). Contributions to the cost of deposits, booking or reservation fees will be considered once the learner has started their course and been on programme for the first semester.

Hardship funds are one off payments for students who are facing extreme crisis e.g. Homelessness, sudden change in domestic circumstances and need for food, travel, clothing (this list is not exhaustive). These funds should be primarily allocated by the Director Student Wellbeing / Organisational DSL so that any other necessary support is accessed/ arranged. In the absence of the Director Student Wellbeing / Organisational DSL, a member of the Welfare or Safeguarding Team can allocate funding. Any student receiving support from this fund must also be immediately referred to the Welfare and Safeguarding team to ensure all their needs are being addressed.

8. Appeals

Any student, who is dissatisfied with the decision made regarding the allocation of funds, may appeal in writing to the Finance Manager within 15 term time days of receipt of letter.

The Appeals Panel will be made of a member of the Senior Leadership Team, and 2 managers.
